Security Handling of TALENT Photography Acquired Over  
Cuba: Detailed Instructions Additional to D-22/4

1. The preliminary report whether produced in the field or in NPIC will be captioned "Situation Summary on Developments in Cuba as of (date)". The following information is collated from a number of sources." Upon receipt of the telegram from Del Rio [redacted] will inform Navy of receipt regardless of time. The written report will be disseminated to the agencies by the first courier thereafter.

50X1

2. The Supplemental Report produced by NPIC will be captioned the same as the preliminary with the addition at the beginning with the word "Supplement". (In the event a mission occurs over this weekend work on the supplement will not begin until the opening of business Monday morning. In the event any agency wishes amplification on an urgent basis of that which is reported in the preliminary, he should get in touch with [redacted])

3. Dissemination of the Situation Summary will be via TALENT channels and centers.

4. Part II of the preliminary report dealing with processing details received from the field will be TOP SECRET CHESS.

5. Photographic materials previously titled ZEBUB will hereafter be considered equivalent of CHESS, no re-titling of original or duplicate materials is required. However, in the event selected frames are reproduced, they will be titled TOP SECRET CHESS. NOFORN

6. The field will send the preliminary report to CINCLANT. ONI will be responsible for sending the Supplement to CINCLANT.

7. Future missions: It is intended by CIA, as soon as the next mission is completed, to withdraw the capabilities including the processing and PI units at Del Rio. Arrangements in the event of any future coverage for processing and PI will have to be established thereafter as required. This will be subject to consideration by the middle of next week when requirements for a subsequent mission will be determined.
